Work Without Worry

For the times you can't be there yourself, the Y supports your efforts to nurture the healthy growth of your child. We provide safe, affordable, high-quality care so you can have peace of mind while you work to help your family succeed.

Age-Appropriate Experiences

Well-trained, caring staff members at the Y give infants and toddlers the consistent, positive attention they need. Children's physical needs are met, from keeping safe to building new skills. Staff members, aware of the developmental stages that go along with the early years, guide children's growth. Positive relationships with these caregivers help the children learn to trust others and themselves.

Family Focus

At the Y, good child care is good family care. Like all Y programs, child care is open to all, with financial aid available. Staff members are partners with parents and other caregivers, working together to help children grow healthy, happy, and strong.

Child care is provided Monday – Friday, 6:30am – 6:00pm for children 6 weeks through 5 years. Sweetheart Daycare is located at the North Area Family YMCA on Wetzel Road in Liverpool.
