VIRTUAL CLASS

Barre

A whole body workout that combines elements of ballet, yoga, Pilates and strength training. Movements are done in time to the music and focus on alignment, balance coordination, strength and flexibility. Options available for all fitness levels.

LES MILLS BODYPUMP

BODYPUMP™ is the original barbell workout for absolutely everyone. Using light to moderate weights with lots of repetition (reps) BODYPUMP™ gives you a total body workout that burns calories, strengthens and tones.

Chair Yoga

A gentle form of yoga that uses the support of a chair to stretch and strengthen your entire body. Connect your mind, body and breath while focusing on balance and coordination. Options available for all fitness levels.

Flex & Balance

This class focuses on increasing your range of motion and improving your balance. Release muscular tension with stretching exercises and increasing your awareness of a healthy posture with balancing challenges. Options available for all fitness levels.

Forever Fit

A low-impact class focusing on joint stability, range of motion, posture and balance. Perform exercises and movements to improve mobility and functional fitness needed to complete everyday tasks. Options available for all fitness levels.

Forever Fit Plus

A low-impact, mixed intensity, full-body workout designed to improve strength by combining aerobic, flexibility and endurance exercises. Movement and exercises may include equipment. Options available for all fitness levels.

Gentle Yoga

A more conservative and slower-paced practice that focuses on gently stretching the muscles. Postures are held for longer durations and connected with the breath to help release tension, increase range of motion and focus on alignment. Postures are presented with options to slow down and find ease in your body.

High Intensity Intervals

A class that utilizes HIIT and Tabata intervals while alternating between cardio and strength exercises. This class will keep your heart rate up and increase your endurance. Equipment such as dumbbells, resistance bands and steps may be used. Options available for all fitness levels.

An exhilarating full body workout that combines cardio and light strength training. Using Ripstix, lightly weighted drumsticks engineered specifically for exercising, POUND transforms drumming into an incredibly fun way of working out.

Power Yoga

A faster paced practice that focuses on building strength & endurance while keeping the mind still. Classes include vigorous sequences that coordinate the breath & movement combined with more advanced postures to strengthen the body & challenge the mind. *Options available for all fitness levels

Strength & Cardio

A class that gets your heart pumping & gives you a total body workout. Build cardiovascular endurance by combining strength training with cardio exercises. Class may use steps, stability balls & more. *Option available for all fitness levels.

Total Body Strength

A full body workout that builds power & increases muscular strength & endurance. Classes may use dumbbells, bands, body bars, stability balls, or other fitness equipment to strengthen the core, upper & lower body. *Options available for all fitness levels.

LES MILLS BODYATTACK

High-energy fitness class with a combination of athletic movements and strength exercises.

LES MILLS BODYBALANCE | FLEXIBILITY

Yoga-based workout with elements of Tai Chi and Pilates set to music. It will improve your mind, body and life. Focusing on flexibility.
