Revised 9/26/2025

Please note, for safety and program quality we will be limiting class size to 30 participants
Class descriptions can be found on the back of this schedule

Aqua Barre - This class focuses on building essential core strength, while using classic barre exercises to improve balance and tone every major and minor muscle group. Taught in the Therapy Pool.

Aqua Cardio Bootcamp - A high intensity class designed to increase cardiovascular health and work every part of the body

Aqua Fit - This class provides an atmosphere of safe resistance for aerobic conditioning. Perfect for all levels, including pregnant and/or joint sensitive individuals. The class utilizes a variety of aqua equipment to improve strength and conditioning.

Aqua Surge - Using both the shallow and deep end, this medium-high intensity class uses water resistance and buoyancy belts to tone and sculpt in a full body workout.

Aqua Tabata - This Shallow water Aqua Tabata workout features some aqua kickboxing flavor, upper body toning and lots of core stabilization.

Aqua Yoga - Improve balance and increase flexibility with this low impact workout in the warm waters of the Therapy Pool.

Aqua Zumba - Enjoy popular music and Latin beats in this whole-body dance workout.

Current Chaos - In this river class you will spend most of the class going against the current using the river's resistance to strengthen and tone all major muscle groups.

Deep Water Dynamics/Aqua Deep - A belt will be used for flotation while aqua barbells are used to tone the upper body. This class is easy on joints and provides a great full body workout.

H.I.I.T Aquatics - This class brings the benefits of a H.I.I.T workout and aquatic conditioning to you in a perfect blend that will provide a great high-intensity workout.

Hydro Fit Deep— Hydro Fit Deep is a deep-water cross training class where you will use multiple techniques to achieve a full body workout. Buoyancy belts are used to ensure safety and body position in the water.

H2O Bootcamp - This class uses water resistance to develop muscle tone, flexibility, and cardiovascular health. Participants will use aqua barbells and noodles to tone and to build strength.

Not Your Mom's Water Fitness - This class is a medium to high full body workout that uses both the deep and shallow end of the pool. This class focuses on power, flexibility and brings swimming techniques into a traditional water-fitness setting, while listening to modern music and the latest hits.

Pilates & Barre - Combine the strengthening and toning effects of Barre class with the calming movements of Pilates, this low impact class offers a workout for the mind, body, and soul.

Shallow/Deep Combo - Using both the shallow and deep end of the pool allows this class to provide a low impact, medium-high intensity workout.

Silver & Fit - A class for active older adults who wish to improve range of motion, strength, flexibility, balance, and coordination. Work at your own pace to achieve a low-medium intensity water workout.

Stretch & Tone - Improve range of motion of joints and strengthen and tone muscles in this shallow end class.

Water Walking - Stroll around the Lazy River in this medium to high workout. Classes change from going with the current to against the current to maximize resistance and provide a full body workout.
