Revised 10/22/2025

Please note, for safety and program quality we will be limiting class size to 30 participants Class descriptions can be found on the back of this schedule

**Aqua Barre** - This class focuses on building essential core strength, while using classic barre exercises to improve balance and tone every major and minor muscle group. Taught in the Therapy Pool.

**Aqua Cardio Bootcamp** - A high intensity class designed to increase cardiovascular health and work every part of the body

**Aqua Fit -** This class provides an atmosphere of safe resistance for aerobic conditioning. Perfect for all levels, including pregnant and/or joint sensitive individuals. The class utilizes a variety of aqua equipment to improve strength and conditioning.

**Aqua Surge -** Using both the shallow and deep end, this medium-high intensity class uses water resistance and buoyancy belts to tone and sculpt in a full body workout.

**Aqua Tabata -** This Shallow water Aqua Tabata workout features some aqua kickboxing flavor, upper body toning and lots of core stabilization.

**Aqua Yoga -** Improve balance and increase flexibility with this low impact workout in the warm waters of the Therapy Pool.

Aqua Zumba - Enjoy popular music and Latin beats in this whole-body dance workout.

**Current Chaos** - In this river class you will spend most of the class going against the current using the river's resistance to strengthen and tone all major muscle groups.

**Deep Water Dynamics/Aqua Deep -** A belt will be used for flotation while aqua barbells are used to tone the upper body. This class is easy on joints and provides a great full body workout.

**H.I.I.T Aquatics** - This class brings the benefits of a H.I.I.T workout and aquatic conditioning to you in a perfect blend that will provide a great high-intensity workout.

**Hydro Fit Deep** – Hydro Fit Deep is a deep-water cross training class where you will use multiple techniques to achieve a full body workout. Buoyancy belts are used to ensure safety and body position in the water.

**H20 Bootcamp -** This class uses water resistance to develop muscle tone, flexibility, and cardiovascular health. Participants will use aqua barbells and noodles to tone and to build strength.

**Not Your Mom's Water Fitness** - This class is a medium to high full body workout that uses both the deep and shallow end of the pool. This class focuses on power, flexibility and brings swimming techniques into a traditional water-fitness setting, while listening to modern music and the latest hits.

**Pilates & Barre** - Combine the strengthening and toning effects of Barre class with the calming movements of Pilates, this low impact class offers a workout for the mind, body, and soul.

**Shallow/Deep Combo** - Using both the shallow and deep end of the pool allows this class to provide a low impact, medium-high intensity workout.

**Silver & Fit -** A class for active older adults who wish to improve range of motion, strength, flexibility, balance, and coordination. Work at your own pace to achieve a low-medium intensity water workout.

Stretch & Tone - Improve range of motion of joints and strengthen and tone muscles in this shallow end class.

**Water Walking** - Stroll around the Lazy River in this medium to high workout. Classes change from going with the current to against the current to maximize resistance and provide a full body workout.
